

Building Connections for Biodiversity

in the Central Tablelands NSW

Landcare NSW is working in partnership with the NSW Biodiversity Conservation Trust to work together to raise awareness and support private land conservation efforts across the state.

Landcare NSW has partnered with the NSW Biodiversity Conservation Trust to support and promote private land conservation efforts with a series of events and network opportunities in 2022. This partnership is supporting engagement with the Watershed, Central Tablelands, Little River, Mid Lachlan and Lithgow-Oberon local Landcare groups and their associated landholders. Don't miss out on this opportunity to improve biodiversity conservation outcomes on your land and meet like-minded landholders!

A series of project events and networking opportunities include:

- ◆ **5 x field days with various topics of focus- *stay tuned for more details!***
- ◆ **Join our community of citizen scientists! <https://inaturalist.ala.org.au/projects/building-connections-for-biodiversity-in-the-central-tablelands-nsw>**
- ◆ **Join our project Facebook group: <https://www.facebook.com/groups/685655202792204>**
- ◆ **Kitchen table conversations: online information sessions– *more details to come***
- ◆ **Landholder biodiversity information packs**
- ◆ **Sharing landholder stories about motivations and interest in managing biodiversity on private land.**
